Trail Riders of the Canadian Rockies

BULLETIN No. 66

REVISION IN TRAIL RIDE ROUTE

Since our last bulletin was issued many things have happened, one of which has made it necessary to change the itinerary originally selected for our Trail Ride of 1942. In order to avoid too long a ride on any one day, we had arranged, through the courtesy of the Park Superintendent, to motor by bus for the first sixteen miles from Banff. However, the shortage of rubber for tires due to the Japanese invasion of Malaya has resulted in the cancellation of buses in Canada for any other than essential services. One army tank is said to use as much rubber as 87 average automobile tires. This affected not only our first day's ride but also the return late in the evening from Lake Louise to Banff.

Advice was sought as to an alternative route, and our Trail Committee has recommended a route suggested by Jim Brewster and Col. Moore which is illustrated on the map on pages 10 and 11. The new plan is to go by the morning train from Banff to Castle Station, where the horses will be in waiting. Then ride ten miles to the first Camp at Twin Lakes, where there is, or used to be, good fishing. The next day's ride totals fifteen miles, and crosses Gibbon Pass, skirting Shadow Lake, then past Haiduk Lake over Whistling Pass to Egypt Lake, where we shall spend two nights in Camp. There is fishing in Haiduk Lake and in Egypt Lake itself, and the country is one of the most spectacular Alpine areas in the Canadian Rockies. Egypt Lake is ideally situated either for those who wish to rest or

those who wish to ride. The fourth day's ride is short for those who wish to travel merely between camps (10 miles), but Larix Lake is on the edge of Simpson Pass, where there is riding space for an army above timberline. Those who were on last year's ride will remember the attractive camp site at Larix Lake. Not far off is Sunshine Lodge, which has a soft-drink counter and radio connection with Banff. The last day's ride is the longest — 16 miles — over a familiar trail of which, however, no one ever tires.

While in 1939 our ride took us over Whistling Pass, this was in the reverse direction. One of our Executives who has camped four times at Egypt Lake is coming again with two other Trail Riders.

The rationing of gasoline and tires is going to make 1942 a year for riding and hiking in the Mountains. The consensus of opinion is that health is a major consideration in these nerve-wracking days, and vacations spent in good healthy exercise are what we all should take so as to keep fit. In the United States the Dude Ranches are said to be heavily booked for that very reason. The Canadian Dude Ranches also say that prospects are good. Claude Brewster, our outfitter, assures us that although horses have been in demand for army service he will have an ample supply of good mountain ponies for our Trail Ride party, with experienced Indian guides.

Rumours that rail travel might be restricted on account of military movements are evidently unfounded. In the Montreal Gazette of April 17th the following news item appeared:—

"Reports that restrictions on railway passenger traffic were imminent were described yesterday "as absolutely without confirmation" by Dominion Transport Controller Thomas C. Lockwood. The Controller said the railways had made no request to him that passenger travel be reduced, and said he had no intimation that such a request was likely in the immediate future.

"The reports, said to have emanated chiefly from Toronto in recent weeks, have suggested that travel on railways for pleasure would be limited in mileage to relieve congestion on railway lines and pressure on equipment available.

"From head office officials of both railways, there is no suggestion that restrictions are likely to be asked of the Government.

Passenger executives say they are handling all traffic that offers on main lines, and there is "plenty of room" on branch lines for everyone wanting to travel."

The Trail Riders have a particular interest in the trail linking Egypt Lake with Shadow Lake as it was made by the Parks Branch at their suggestion. For a long time Jim Brewster had worked for a High Line Trail between Banff and Lake Louise, but there were two barriers in the way — one being the rather steep rocky cliff between Egypt Lake and the summit of Whistling Pass, and the other the swampy trail from Storm Mountain to Taylor Lake. Eventually all difficulties were overcome, and in 1939 we made the High Line Trail on a ride that was voted a huge success except by a group of old-timers who rode out from Moraine Lake to meet us and lost the trail. This year we shall cover part of the High Line Trail, namely that which traverses Whistling Pass, but in the reverse direction. Whistling Pass has since been well travelled, as a number of individual camping parties have gone that way. Major Jennings, Superintendent of Banff National Park, has promised to check over the Whistling Pass Trail in advance of our coming.

The Sky Line Trail Hikers had their Annual Camp at Egypt Lake in 1940, and thoroughly explored Mummy Lake, Scarab Lake, the Talc Mine and Redearth Pass. Carl Rungius on that occasion made a flying trip to Haiduk Lake and came back with a wonderful mess of trout.

PROGRESS OF A STAR

Travers Coleman sends us the following news, which will be of special interest to those who were on last year's Trail Ride:

"I am in receipt of a letter from Beth Drake (Doris Simpson) in which she says she will never forget those heavenly days she spent in Banff and on the Trail Ride. Apparently she is doing quite well, having done several songs and dances for the musical "Yankee Doodle Dandee," and has just finished a part in "The Hard Way" (no doubt inspired by the steep climb up out of the Valley of the Rocks onto Simpson Summit) and expects to be tested shortly for a part in Howard Hawks' new air picture. Warners have her under contract for seven years and are coaching her in dramatics, singing and dancing."

Royal Canadian Air Force Photo

CASTLE MOUNTAIN

Dominating the flats where sixty years ago there was a silver mining town. The Banff-Windermere automobile road branches south from the Banff-Lake Louise road at this point, and there is a flag station on the Canadian Pacific Railway; near this our horses will be in waiting when we detrain from Banff on the morning of Friday, July 24th.

EGYPT LAKE AND SIMPSON PASS SUMMIT

by A. O. Wheeler, F.R.G.S.

(Who conducted the geographical surveys for the Canadian Government in this area)

Outstanding among the beauty spots of the Canadian Rockies is the Egypt Lake and Simpson Pass summit area. Especially attractive are the many little lakes of exquisite shades of blue and green which, with the sunshine dancing on their ripples, resemble scintillating gems of rarest beauty.

The Pharaoh Peaks, (8895 feet and 8820 feet respectively above sea level) dominate the area around Egypt Lake and Monarch Mountain, (9488 feet) also the Simpson Pass summit. Egypt Lake, Scarab Lake and Mummy Lake lie directly to the south of the Pharaoh Peaks. Haiduk Lake lies immediately west and Black Rock Lake and two others, unnamed, lie east. Shadow Lake, beneath the towering precipices of Mt. Ball, a snow-capped massif, 10,825 feet in altitude, is farther north.

Particularly attractive is the Simpson Pass summit area. Here are open parklands of alpine meadows interspersed with groves of Lyell's larch and umbrella-like spruce; vividly coloured tarns delight the eye.

Simpson Pass is, historically, of much interest, owing to the first recorded crossing having been made by Sir George Simpson, Governor in Chief of the Hudson's Bay Company, in 1841. The pass and river heading south from it are named after him.

Other features of interest in this locality are the series of concrete monuments placed across the pass summit to indicate the continental watershed, the boundary between the Provinces of Alberta and British Columbia, and the great rampart-like wall extending northward from Monarch Mountain, which massif dominates the locality.

Whistling Valley, immediately southwest of the Pharaoh Peaks, is a home of the Hoary Marmot, the Siffleur or Whistler. Entering the valley, one soon hears their sharp whistles, often so close as to be startling. The sharp danger call is passed from one to another until the whole valley has been warned. They are easily approached to photograph and soon become tame.

Here also, among the rocks, may be seen the Little Chief Hare, the Pika or Haymaker. It needs a quick eye to spot them as they flit from rock to rock and their little piles

of grass, flowers and other herbage may be seen set out on the rocks to sun-cure for winter use. They are difficult to approach; they look like a toy rabbit, and squeak like one when the bellows is pressed.

Throughout this area and in the Simpson Pass parklands colonies of the Parry Marmot may be seen. These so-called mountain or tent-peg gophers are everywhere on the alplands. The latter cognomen is from the way they sit up motionless on their hind legs above their holes. Owing to the luxuriant pastures, the Rocky Mountain Goat, the "Old Man of the Mountains," frequents these valleys and may be seen on the heights or feeding in the meadows.

This system of open and sparsely timbered valleys is scenically very beautiful and will supply most satisfactory material for reproduction by the camera or the brush. Bounded on the west by the towering heights of the Mt. Ball Group and on the east by the great peaks of the Massive Range it has a magnificent setting. From the summits of Mummy Pass, Redearth and Simpson Passes glorious views are had of the "Great Beyond" reaching southward, even to far away Mt. Assiniboine.

Origin of the place-names of features one comes in contact with is of interest. How Pharaoh Peaks received the name is not recorded. Egypt, Scarab and Mummy Lakes were named by me as a sequence when mapping that area. Haiduk Lake was named from a Polish word meaning "lively, vigorous," and when first seen with the sun, like diamonds, sparkling on its wind-blown ripples the name seemed to apply. Incidentally Haiduk Peak got its name from the Lake. Black Rock Lake is from the high rock amphitheatre enclosing it; Shadow Lake from the overshadowing rock precipices of Mt. Ball.

.....
Jim Brewster, who had read of Simpson's trip, went over the Pass with Bill Potts some years ago. They discovered a tree, recently fallen, on which an inscription had been cut with the initials G. S. beneath which were the initials J. R., evidently made by James Rowand, the fur-trader and guide who outfitted and accompanied this historic trail ride.

THE WINNING TRAIL RIDE PHOTOGRAPH

The award for the Reginald Townsend Cup in connection with the Trail Ride of 1941 presented a problem. This Cup was offered by Mr. Townsend in annual competition for the best photograph taken on the Ride, the decision being left to a Jury of three, none of whom should be a Trail Rider. The Jury this year was composed

was actually pulled by another party. Both, however, were Trail Riders. The owner of the camera who posed the picture was Rosamond E. Fisch, of Minneapolis, while the trigger-puller was Roland Terry, of Plainfield, New Jersey. The picture was taken, according to Miss Fisch, with an inexpensive Brownie box kodak, without benefit of light meters, distance gauges, altimeters, etc., after the camera had already suffered two bad falls from the horses' back en route to Camp Assiniboine.

Prize Winning Photograph for the Reginald Townsend Cup taken on the Trail Ride of 1941
by Rosamond E. Fisch and Roland Terry.

of James Crockart, a well known Canadian artist, Max Sauer, a prominent commercial photographer who has been himself successful in many competitions, and E. T. Noltie, Director of Exhibits for the Canadian Pacific Railway. All three had visited the Canadian Rockies but never on any of our Trail Rides. Their decision was unanimous in favour of an entry labelled (according to the rules requiring a *Nom de Plume*) with the name "Private Secretary". On examination it was found that while the camera and film belong to the lady whose figure dominates the composition, the trigger

As there was nothing in the rules either for or against a picture taken with such a combination of talent and bad luck, the final decision was left to Mr. Townsend himself, who was like Solomon, and decided that no division could be made, and that both should be declared joint winners of the trophy. Their names will be inscribed jointly on the Cup which remains the property of the Trail Riders, and also on the small replica which will go to the lady, partly on the principle of women and children first, and partly because it was her camera and film, and she sent in the print.

CANADIAN AND AMERICAN TRAIL RIDERS DISCOVER AN EASY GRADE

What dabbler in medicine from Toronto spent last summer in the Canadian Rockies to clasp hands across the border with young Inland Empire socialite ?

HIGH SPIRITS ON THE TOP OF THE WORLD

Explanation of the above work of art was contained in a letter dated Feb. 15th, 1942, which accompanied it, sent to the Secretary Treasurer by Janet Martin of Spokane, Wash., who participated in the Trail Ride of 1942.

"I thought you might be interested in having a copy of the cartoon with which I announced my engagement to Peter Spohn last week. We met on the Trail Ride last summer and became engaged soon after. This cartoon was posted on the front page of the afternoon papers and distributed to each guest at the party by two little newsboys who came roaring into the house shouting

"Extra, Extra, 2 Star Final! Read all about it!"

Corrected to April 30th, 1942

Trail Riders of the Canadian Rockies

Officers, Council and Committees

President: H. T. COLEMAN (Vancouver, B.C.)

Vice-Presidents:

MARSHALL H. DIVERTY (Woodbury, N.J.) KEITH HOFFMEYER (Indianapolis, Ind.)
BERNARD J. FEURER (Kew Gardens, N.Y.) DAN MCCOWAN (Banff, Alta.)
MRS. DAN MCCOWAN (Banff, Alta.)

Secretary-Treasurer:

J. M. GIBBON
(Room 318, Windsor Station,
Montreal)

Western Secretary:

L. S. CROSBY
(Banff, Alta.)

Council:

CARL H. BEAL (Los Angeles, Cal.)
